**From the Wagonmistress:** With the amount of snow in New Hampshire it hardly seems possible that we are going to ever get our Scottys out and camp. But, before you know it, we will be at the Grand National Rally in Covington, PA. With winter arriving very early this year we did not get as much finished with our trailers but I am sure once spring arrives we will be raring to go. I hope you all are having a peaceful winter and at least thinking and planning for some camping trips to meet up with those we may have only met on the Yahoo group SSCE site. David Turner and crew are working getting a wonderful Rally together for us all to enjoy. Anyone with pictures of any events, please be sure to get them to David at [dturner26531@yahoo.com](mailto:dturner26531@yahoo.com) so many can be on the CD that is being done for members attending the Rally. We want to share the history of the group over the past 10 years with everyone.

See you around the campfire somewhere soon,

Jeannie Keith

**Letter from the Editor** It already looks like 2008 will be a fun - filled camping year for the members of SSCE. Just check out the calendar of events.
