From the Wagonmistress:

PHEW!!!!!!!!!! The summer has gone so fast.

Let's hope that you all have had the opportunity to join in on a few campouts or Rallies. Our Grand National Rally at Tanglewood Campground in Covington, PA was a huge success and thank David Turner and his crew for putting on an awesome Rally. I guess the "Table Dancers" who many had never met before bonded together to put on a "SHOW" for anyone who would watch after the cheese and wine tasting Friday night. Thanks Wendy for arriving with the

shirts you made up for 6 brave souls who simply just wanted to laugh and have fun. Many new friends were made and I think people are seeing what this hobby is about—starting with the Scotty trailer and then putting the owner or owners with it at a campout, meeting them in person, laughing together, sharing stories, looking over all the differences in the Scotty trailers with no two alike. Many campouts are still being announced and I think we all will keep camping til the snow keeps us home.
See you all around the campfire soon,

Jeannie Keith
